Application Support Input Reports

Instructions

After receiving a notification to provide feedback on a submission, should a report not be available, please check with the following with the applicant:

- Whether they have deleted the record from their application.
- Which role they have assigned to you. Should this have been the “Reference” role, they will need to update the role in their application in order for a report to become available.

List of Applications

Category

— Institutional Grants

Reference	Role	Applied Date	Complete
RCDS251113379483	DVC/HoD	13/11/2025	✓
